

Supply Chain Success Story!

Supply Chain Management for a Fortune 10 Technology & Consumer Products Company

THE STORY

When a Fortune 10 technology and consumer products company needed supply chain management support, they called Logistics Plus.

THE HIGHLIGHTS

- Logistics Plus has nearly 100 employees dedicated to this client worldwide.
- Logistics Plus provides a Global Supply Chain Control Tower with modeling, dashboards, and visual analytics to optimize the client's transportation movements.
- Logistics Plus manages product rollouts and store deliveries for the client's home products division, delivering products and setting up displays at major retailers worldwide.
- Logistics Plus facilitates reverse logistics to ensure devices are accurately returned from the point of purchase back to the manufacturer for recovery, repair, recycling, or disposal.

Creative Solutions for Unique Challenges.

Global Logistics + So Much More!
